# HC020 USER MANUAL

## Hygger CO2 Resin Aquarium Shelter For Fish And Shrimp

---

Support

E-mail: [service@hygger-online.com](mailto:service@hygger-online.com)

The CO2 spiral bubble counter is essential for accurately measuring and regulating CO2 levels, particularly in large aquariums and planted tanks where precise CO2 concentration control is crucial. This bubble counter not only aids in optimizing water CO2 content to foster aquatic plant growth and preserve water quality and simplifies calculating CO2 bubble counts.

## 1. PRODUCT SPECIFICATION

Size (length x width)	5.91x1.97inches
Color	Brown
Weight	160g

## 2. PRODUCT FEATURES

1. **Safe and Non-Toxic:** Made with eco-friendly resin that releases no harmful chemicals, ensuring the health of aquatic life.
2. **Lifelike Design:** Accurately replicating caves to provide a natural and comfortable habitat for fish and shrimp.
3. **Sturdy and Durable:** Made of solid material, featuring impact-resistant and wear-resistant. Suitable for long-term use in aquariums.
4. **Optimize Water Quality:** The rough and porous surface facilitates the colonization and reproduction of beneficial bacteria, which helps maintain the ecological balance of the aquarium.

## 3. INTRODUCTION OF USE

1. Before use, rinse the shelter with clean water to remove dust and impurities accumulated during transportation.
2. Based on aquarium landscaping and the habits of fish and shrimp, place them in areas with dense aquatic plants to provide shelter for small fish and shrimp, and position them in the corners of the aquarium to accommodate the territorial needs of dominant fish and shrimp.
3. The shelter is made of natural resin and naturally sinks to the bottom of the water. However, due to its lightweight design, it can be secured with sand or glue to prevent displacement caused by water currents or fish activity.

## 4. ATTENTIONS

1. **Avoid exposure to strong sunlight:** Do not expose the shelter to direct sunlight to prevent resin aging, discoloration, and shortened service life.
2. **Regular maintenance:** Remove the shelter every 1-2 weeks, and gently scrub it with a soft-bristled brush and clean water to eliminate algae and debris, maintaining a healthy living environment.
3. **Prevent collisions:** When moving or cleaning the aquarium, handle it carefully to avoid damage caused by collisions between the shelter and other hard objects.
4. **Special creatures:** If keeping creatures with gnawing habits or sharp shells, carefully monitor to prevent damage to the shelter surfaces.

## 5. HYGGER LIMITED MANUFACTURER'S WARRANTY

We offer the end user of this product a manufacturer warranty of 3 (2) years from the date of sale if this product was purchased from a Hygger®-authorised specialist dealer.

Retain receipt for any future warranty claim. Conditions apply. Products are guaranteed by Hygger® Aquatic Supplies to the original purchaser against defective material and workmanship under normal use for a period up to 3 (2) years from the date of the original purchase through an Authorized Dealer. Refer to the User Manual included with your product for specific warranty details.

### **Products have no warranty if:**

- (1.) The product has been serviced, modified or tampered with by anyone other than Hygger® Aquatic Supplies.
- (2.) The product has been abused or damaged (including broken or cracked bulbs), and/ or.
- (3.) The product has been transported without proper packaging.
- (4.) The product was purchased from an Unauthorized Reseller.

### **Products have no warranty if:**

In no event will Hygger® be liable for any consequential or incidental damages, including but not limited to, lost aquatic life, personal injury, property damage, equipment damage, lost profits, lost wages, lost savings, lost income, etc., arising out of the use of any Hygger® products.

#### **1.0. Terms and Conditions of Warranty.**

- 1.1. Hygger® warrants to the purchaser, for 3 (2) years from date of original purchase through an Authorized Hygger® Reseller, free to repair or replace parts where fault is found due to defective materials or faulty workmanship and where goods do not operate in accordance with the instructions.
  - 1.2. All claims for repair or replacement must be made at place of purchase.
  - 1.3. Only the direct purchaser is entitled to warranty claims against us and these are not transferable without our consent.
  - 1.4. The original and dated Proof of Purchase (receipt) must be supplied with all goods claims. Please also provide this Guarantee where possible.
  - 1.5. Wear parts (e.g.: seals, suction devices, axes, pump wheels, light sources, pH electrodes, filter media, such as filter cartridges, as well as UVC burners), glass damage and the opening of the product, as well as structural changes or the use of non-Hygger® original parts are excluded from the guarantee.
  - 1.6. All goods subject to claim under Guarantee should be prepared for transportation in the original packaging or other comparable packaging which offers the same degree of protection and Hygger® must incur no costs from the shipment.
  - 1.7. Where claims on inspection reveal goods are in normal working order, Hygger® will request reimbursement of all reasonable costs incurred.
  - 1.8. Warranty claims do not exist in the case of only insignificant deviations from the agreed or customary condition or usability, e.g. insignificant deviations in colour, dimensions and/or quality or performance characteristics of the products.
  - 1.9. Our warranty obligation extends only to the delivery of newly manufactured products. Unless otherwise agreed, used products are sold as seen, excluding any warranty.
- For more warranty information, please see the hygger website.
